

crocs™

**Model: Crocs™ ESD Lites™
ESD & Particle
Compliant Shoe**

Features:

The Crocs™ ESD Lites™ cleanroom shoe combines the health and comfort benefits of the Crocs™ Recreational shoe with a high standard for ESD and Particle compliancy. The white ESD Lite is a conductive shoe, achieving a quality specification that will last for at least two years in a cleanroom environment. The ESD Lite™ addresses operator fatigue and will make your operators / technicians more comfortable in their working environment.

- ESD- and particle-compliant
- Closed Toe and Heel
- Really soft, super comfortable—orthotic foot bed molds to feet
- Weighing only 6 ounces
- Slip-resistant soles
- Bacteria & Odor Resistant
- Can be sterilized in bleach and water
- Easy maintenance, just wipe clean
